

KENNEDY CATHOLIC FAMILY OF SCHOOLS

Saint John Paul II Elementary School • Kennedy Catholic Middle & High School

2017-2018 Tuition Referral Program

Kennedy Catholic Family of Schools is very thankful for all our students, families and partners. We also understand that our best advertisers are our families, and families who have great experiences to share with others who may be interested in providing the same quality faith-centered education for their child (ren). To show our appreciation, we would like to introduce our Tuition Referral Program.

It's simple, for every new school family that you refer; you will receive a reduction in your current year tuition. The credits are not limited, however the referral credits will be distributed once the new school family has completed the registration process and has paid two months of tuition.

Below outlines the discounts:

Grade Level Referred	Referral Discount Received
K-12	\$200

So start referring today to begin earning your credits towards tuition. Please have the interested families fill out the attached form. If you have any questions regarding the program, please contact the Finance Office.

Thanks!

Bill Blum
Director of Finance
