

Cost: FREE, Students who successfully complete the Career Camp will receive a \$250 stipend.

## **Human Body Investigations Career Camp**

Who: Students entering grades 9 through 11 who have successfully completed the Medical Detectives Career Camp during a previous summer. *Please do not register your child if they have not successfully completed Medical Detectives Career Camp.*

When: June 7 - 10, 2021\*\*

11:30 AM - 2:30 PM, Lunch served for FREE each day from 11:00 - 11:30 AM

Where: West Middlesex Area School District  
3591 Sharon Road, West Middlesex, PA 16159

This camp is for students who have successfully completed the Medical Detectives Career Camp. The Medical Detectives Camp was offered during Summer of 2019 and Summer of 2020.

Students will apply their previously learned knowledge to examine the human body systems. Students will explore science in action by building organs and tissues, as well as take on the role of medical professionals to solve real-world problems.

Limited space available so register soon! Registration Deadline June 1, 2021.

All registrants who are accepted into the Career Academy will receive a registration confirmation and detailed agenda for the Career Academy Camp via email prior to June 7.

Complete registration online at: <https://tinyurl.com/35aubm3k>
