## A Note From Mrs. Tiefertal

The NWEA Growth Map Assessments will be given this week for students in third through sixth grade.

Information about the assessment will be sent home tomorrow to all students in these grades via email. It is very important that the students are present for their testing day.

This past Summer, our Rediker/Plus Portals account for SJPII was merged with KC MS/HS. The new link to access the KCFS site is [www.plusportals.com/kcfs](http://www.plusportals.com/kcfs). You should have received information about logging in to the system to view your child's grades. If you do not remember the password that was given to you, please call the office and we will have them reset your password.

## Important Information

The students are doing a wonderful job earning their popcorn kernels for great behavior in the lunchroom. We will be starting our Super Star Squares this week!
