**Week of: Sept. 19th-Sept 23rd**

## A Message from Mrs. Halicki

I want to thank students for the excellent job they are doing transitioning into the new school year. I have received many compliments from individuals visiting the school.

Just a reminder for when a student is not feeling well in school. The teacher will send the student to the nurse with a pass. The nurse will assess the situation, notify the parent, and then with the parent determine if the student needs to go home. If the student is sent home, parents, please remember to send a note upon the student's return to school.
