

Kennedy Catholic MS/HS News

Week of: March 13th- March 17th

A Message from Mrs. Halicki

Just a reminder that students are to be in each class at the start of the bell. Students must go to class first before asking for a pass to the restroom, their locker, or to see the guidance counselor. If a student is late to class, a pass from the previous teacher is required.

We only have a few weeks left until the third grading period is over. Students, please continue to follow the rules so you are ready and prepared for each class period. Teachers need all students on time as they begin class and provide instruction.

Olympiad- James Brocklehurst II and Glenn Miller participated in the regional Chemistry Olympiad provided by the American Chemical Society (ACS) Penn-Ohio Border section competition on March 10th at Youngstown State University. They competed against students from Trumbull, Mahoning, Lawrence, Mercer, and Columbiana counties. James and Glenn have been staying after school for weeks in preparation for this exam. ACS competition is a prestigious and difficult written exam and the top 1000 finishers will participate in the national exam. The top 20 finishers from the national exam will represent the USA and participate in the international Olympiad in July in Zurich, Switzerland. We are proud of these young men.

Leaving early- Students who are driving, if you are leaving early, please remember to sign out at the office. Teachers take attendance and if a student is not in their class, the teacher calls the office to verify if the student has signed out for an appointment. For student safety, staff needs to know where students are throughout the day.

Allergies- Parents, please email the school nurse to inform her of any student allergies so that we may update student records. The nurse's email is kc nurse@kennedycatholic schools.org
