A Note From Mrs. Tiefenthal

May is right around the corner and is filled with lots of events at SJPII! Please check the looking ahead section for some of the upcoming May events.

Please mark your calendars for the week of May 8th through 12th. Students will be taking the NWEA Map Growth Assessment. It is very important that students are on time and present each day. This data is very important as we prepare for the 23-24 school year and intervention/enrichment groups.

Sports Fun Day is planned for Thursday, June 1st. If you have your clearances on file and wish to help that day, please email me at

ktiefenthal@kennedycatholicschools.org.
