## A Note From Mrs. Tiefenthal

Happy October! October is a busy month for us at SJPII, please make sure to check the happenings for each week! We are officially halfway through the first grading quarter. Progress reports will be sent home on Monday with K to 6 students along with the NWEA family report. Please sign and return the progress report to your child's teacher. We will have Parent Conference sign-ups during Open House on Tuesday, October 10<sup>th</sup>.

We are planning on having our SJPII 2<sup>nd</sup> Annual Trunk or Treat again this year. Information will be sent home this week with students.

Congratulations to our Fruit of the Spirit Winners for the month of September! Our Fruit of the Spirit for October is Love. We continue to live out our theme of peace, love, and prayer!

## Important Information

SJPII Wears Pink- SJPII students are asked to wear a pink shirt with uniform pant this Monday, October 2<sup>nd</sup> in honor of Breast Cancer Awareness Month.

Throughout the month of October as we emphasize our Fruit of the Spirit theme of Love, students will be making cards, crafts, and praying for those in need. We will be dropping off items to local nursing homes, hospitals, and the Cancer Center.

October is also the start of Anti-Bullying month. We will be tying in our Fruit of the Spirit theme of Love as we discuss bullying and take our stand as a school to stop it. Activities and speakers will be visiting throughout the month.

On Tuesday, October 3<sup>rd</sup> all students in Preschool-6<sup>th</sup> grade will take part of the Creating a Safe Environment training that is required by the Diocese. We are thankful for Mrs. Kathy Higgins from Notre Dame Parish who will once again lead us in the training. Information went home regarding the training this past week. More information will be sent home following the training for families to continue the discussions at home. As stated in the parent letter, information can be found on the Diocese of Erie website at <https://www.eriecd.org/childprotection/safe-environment-training.html>
